(100 characters max) East Central Regional Arts Council FY 2022-2023 Preliminary Biennial Plan
Mission statement

The biennial plan must include the regional arts council's mission statement which must describe the overall philosophy and aims of the organization concerning local and regional arts development.

(1,000 characters max)

East Central Regional Arts Council's mission is to support the arts and bring the life enhancing values they afford to Region 7E residents.

Region - Background, demographics, other context for the plan

(5,000 characters max)

Provide any necessary context about your region (i.e., economic, demographic, geographic, cultural, etc.) or about your organization that has a meaningful impact on your planning or your programs and services.
ECRAC serves Region 7E. Region 7E includes the Minnesota Counties of Chisago, Isanti, Kanabec, Mille Lacs, and Pine. Cities include Braham, Cambridge, Hinckley, Isanti, Milaca, Mora, North Branch, Ogilvie, Onamia, Pine City, Princeton, Taylors Falls. Sandstone. Shafer, Wyoming, and others. Region 7E is geographically one of the smallest in the state with a square mileage of 750,536.6.

Demographics - Region 7E was home to 169,368 people in 2019, still comprising 3 percent of the state’s total population which is stable. The region saw a 3.4 percent population increase since 2010, making it the seventh largest of the 13 economic development regions in total population, and the sixth fastest growing. In comparison, the state of Minnesota saw a 6.3 percent gain from 2010 to 2019.

Chisago County is the largest county in Region 7E and is the 18th largest county of 87 in the state, with just under 57,000 people in 2019. It added 2,692 people, a 5 percent increase, since 2010, the 21st fastest growth rate. Isanti County experienced the largest growth in the region with an increase of 2,780 people and now has over 40,500 people. The next largest county is Pine County with 29,579 people but has declined in population since 2010 while Mille Lacs County has increased slightly and has 26,277 people and Kanabec County is the smallest county in the region with 16,337 people, the 52nd largest county in the state.

Population Change - Despite the rapid recent growth, Region 7E is projected to experience only slight population growth in the next 20 years. Region 7E is expected to gain just 384 new residents from 2020 to 2040, a 0.2 percent increase. The state of Minnesota is projected to grow 8.8 percent.

Region 7E has experienced a natural increase – more births than deaths – of 3,382 people so far this decade. The region also gained population because of net migration with an increase of 1,711 domestic residents moving into the area. In total, there was an increase of 5,580 people due to migration and natural increase.

Region 7E is now home to 2,542 foreign born residents, or about 1.5 percent of the total population. The number of immigrants in the region increased by 11 percent since 2010, higher than the statewide growth rate of 8.4 percent. Just over 40 percent (1,051 people) of these immigrants were from Asia, while the second largest number was from Central and South America, accounting for 21 percent of the region’s immigrants. Lastly, there were 562 people from Europe but this population has decreased since 2010.

Components of Population Change - Region 7E has a much older population than the rest of the state, with 17.9 percent of residents aged 65 years and over, compared to 16.3 percent statewide. In addition, Region 7E had a much higher percentage of people in the 45 to 64 year old age group, but consequently had a lower percentage of people in the 25- to 44-year-old age group, typically the leading edge of prime working years. A large portion of the area’s population is a part of the Baby Boom generation, which is creating a significant shift in regional demographics over time. Between 2000 and 2018, almost 27,000 more residents were in the 55 years or older groups.

Population by Race - Region 7E’s population is less diverse than the states but is becoming more diverse over time. In 2018, 94 percent of the region’s residents reported white alone as their race, compared to 83 percent of residents statewide. At 1.6 percent, Region 7E had a higher percentage of American Indian or Alaska Natives than the state, but otherwise had much smaller percentages of people of all other race and origin groups, especially Black or African American, Asian, and Hispanic or Latino origin.
With just over 3,500 people, the largest minority group other than White is Hispanic/Latino, which increased 131 percent from 2000 to 2018. The region saw an 18 percent gain in the number of white residents but saw much faster increases in most other race groups. Four minority groups more than doubled from 2000 to 2018, including people of Hispanic or Latino origin.

Household Income - At $65,998, household incomes were lower in Region 7E than the state, where the median income in 2018 was $68,411. Just under 40 percent of the households in the region had incomes below $50,000 in 2018, similar to statewide. Similarly, only 27.2 percent of households in Region 7E earned over $100,000 per year, compared to 31.5 percent of households statewide.

COVID Pandemic - As of mid-March COVID-19 has caused 193 deaths in 7E. 14,718 people or 8.7% have been diagnosed. This has had a huge impact both on the population of the region and on the arts community.

Needs assessment

(10,000 characters max)

The biennial plan must be based on a needs assessment carried out in a manner which ensured input from the arts community and the arts involved public. The components of the needs assessment shall be determined by the regional arts council and may consist of any combination of constituent meetings, focus groups, program evaluations, mail, e-mail, online, or telephone surveys, individual interviews, or other evaluative tools. The assessment shall be conducted to assess and prioritize constituent needs, to evaluate appropriate community and regional resources to meet those needs, and to determine the practicality of continuing existing programming activities, service and grants assistance programs, or the feasibility of developing new programs, services, or grants by the regional arts council. The needs assessment shall be updated at intervals determined and announced by the regional arts council, but no less frequently than once every four years. The results shall be included in the biennial plan.

In this section, describe:
1. When the needs assessment was completed.
2. The process used to generate input from the arts community and the arts involved public.
3. The methods and/or tools used to gather input.
4. The key findings identified through the needs assessment.
Planning enables ECRAC to listen to the needs of its constituency and to respond with programming designed to benefit all residents of 7E. The planning process used by the East Central Regional Arts Council included both informal and formal needs assessment and planning. To survey a broader group the ECRAC Needs Assessment survey was in-depth and included those in the arts community and other constituents were reached. The needs assessment was completed in early FY 2021.

Needs assessment input was received with the following methods:
- from constituents in the form of an online survey distributed and open to all and which was highlighted by all Region 7E media with purchased advertisements, and press releases. It was also distributed via the ECRAC newsletter and the ECRAC website, and advertisements on social media (both to those already following ECRAC and to others targeted by their city of residence);
- grant information sessions in which input was solicited regarding needs from attendee interviews;
- reviewing outcome evaluations and written grantee evaluations;
- and, regular monthly (before the COVID-19 pandemic) board member surveys and input.

Key Findings from the ECRAC Needs Assessment Survey
For existing ECRAC grants and services, all grants and service were either highly valued or extremely valued. Feedback was for ECRAC to continue providing the grants and services with adjustments to remove barriers. In addition, changes are being made to how services are provided with the ECRAC workshops, networking, calendar, newsletter, and online presence. This is in order to increase the number of people using ECRAC grants and services and for accessibility.

The needs assessment also addressed equitable distribution and the following are being incorporated: partnering even better with existing providers of services to underrepresented groups and community groups; ECRAC should have a focus on serving underrepresented groups/artists; and ECRAC should build more relationships with underrepresented groups and community groups. The ECRAC board of directors has made a commitment to overcoming bias and to building diversity and inclusion in both the grant-making and providing services priorities. In addition, due to the impact of the COVID-19 pandemic constituents are requesting a different kind of technical assistance support, workshops and networking from the past.

Please note that in the Forum of Regional Arts Councils of Minnesota (FRACM) Policy Manual, as publicly funded programs, "RACs' regranting of state funds must maintain high standards of fiscal responsibility and be conducted in an open manner without discrimination on the basis of national origin, race, color, creed, religion, disability, gender, status with regard to public assistance, gender preference, marital status or political affiliation." ECRAC has always been committed to this responsibility and equity. In the context of ECRAC programming and services under represented people and groups are defined based on age, gender, disability, sexual orientation, culture and race.

Description of the planning process
(5,000 characters max)
The biennial plan must include a description of the biennial planning process used by the council including a list of the steps included in the development of the biennial plan and the participants involved in the biennial planning process.
Planning enables ECRAC to listen to the needs of its constituency and to respond with programming designed to benefit all residents of 7E. Planning started in 2020 with the needs assessment process. The ECRAC Executive Committee (also the planning committee) met and discussed the regional needs and how best to serve constituents. The Executive Committee includes the Board Chairperson, Vice Chairperson, the Treasurer and the Secretary. This committee talked about the demographics of the region, they highlighted the responsibilities of being a Regional Arts Council to the Minnesota tax payers and to the residents of the region, and they discussed established and revised ECRAC processes, and they reviewed the Needs Assessment Survey. Finally, they reviewed input and recommendations that the full board, panelists, constituents, and grantees had given them. Recommendations were given to the full board.

Final Preliminary Biennial Plan approval was March 16, 2021. Ultimately the result of all the discussions, and the approved document, were then brought to a public meeting on March 24, 2021. Plans were in place for a special ECRAC board meeting on March 26, 2021, in order to make revisions to the Preliminary Biennial Plan, if needed, after input at the public but the special meeting was not needed. Nine people attended the public meeting and 3 were associated with ECRAC as staff or board representatives.

Grant making and monitoring process

(5,000 characters max)

Provide a detailed description of the council's grant making process including the review process, the terms of the grant contract with grant recipients, the time needed and process followed in paying grant recipients, the responsibilities of grantees, and the grant monitoring process.
Excerpt from the ECRAC Policy Manual

“Principles for Grantmaking:

Members of the East Central Regional Arts Council recognize that they play an important role in supporting the arts in their communities; that their role is sustained by the public trust; and that certain obligations follow from that trust. Members are committed to basing their work on principles that reflect those obligations.

Members, volunteers, and staff of the East Central Regional Arts Council:

• Deal respectfully with applicants, and grantees, as well as those simply seeking information about their programs.
• Are accessible and respond clearly, promptly, and as fairly as possible to requests for information and meetings.
• Make readily available basic information about their programs, funding priorities, and application requirements.
• Respect the confidentiality of applicants, grantees and donors and use discretion in communicating with others about specific organizations and individuals.
• Are thoughtful and purposeful in their grantmaking and periodically review and evaluate their mission, priorities, policies, and practices.
• Recognize the increasing cultural diversity of the communities they serve and proactively seek to reflect this diversity in grantmaking and in the membership of the Council or staff.
• Adhere to the highest standards of ethical behavior and maintain an appropriate conflict of interest policy for staff and board members.
• Are aware of and fulfill their fiduciary and legal responsibilities.”

Grant making and monitoring process

ECRAC follows a several step process concerning grant review and evaluation. All applications must be received online by the deadline date and time. Staff then reviews the submitted grant applications for completeness and accuracy. Grant applications are then distributed to the Arts Council board members for the grant review. If there is a grant review panel (occasionally) the full board receives the written grant review notes before their next meeting and is ultimately responsible for approving the grant. Grant applicants or other interested persons may attend the grant review meeting but may not offer additional information. At the grant review meeting, the Council rates each application on a scale. Applications are rated individually according to the criteria published in the East Central Regional Arts Council Grant Program Guidelines. Funding is then allocated based on a blind ranking of the proposals up for review.

Once grant funding is approved by the Board of Directors, a Notification of Grant Award (NGA)/Terms of Contract is sent to grantees with a Request for Payment (RFP) form. Grantees have 45 days to return. After the signed NGA and RFP are returned, and a once a year grantee final report training has taken place, ECRAC processes the payment for the project within 30 days of the NGA/RFP receipt. Grant files are kept which contain all pertinent information such as any correspondence, the grant application, data collection information, the NGA and RFP, information on any contacts with the grantee, etc. Grant file information is also kept online in the Foundant system.

The grantee is expected to complete the grant project as proposed and as approved. They are also expected to know and follow the terms of their contract and approved budget with ECRAC. If there are unexpected changes the grantee is asked to contact staff or go to the website for instructions on how to make a grant revision. The ECRAC Board of Directors signs up to monitor grant funded events. At that time they complete a “grant funded event monitoring form” which is then included in the grant file.

A grant final report is due within 30-60 days of the completed project. At ECRAC the final report must include documentation of how the grant funds were used, and all other income and expenses relating to the project. This is usually in the form of receipts or cancelled checks. The purpose is two-fold, to ensure that the grant funds were spent as proposed and to ensure the terms of the contract were followed. An example of this is ensuring that the 10% cash match for the project was reached, if there is one. ECRAC has instituted the State Arts Board Misuse of Funds Policy and will start using it in FY 2020.

Final report documentation also includes items such as photos, programs, and outcome evaluation summaries. ECRAC reserves the right to conduct audits of randomly selected projects and has done so twice. This can either be a fiscal or program audit. Grantees are required to keep documentation of projects for a three-year period. Reviews of the final reports are conducted by the Grant Program Officer under supervision of the Executive Director and are reported to the ECRAC board both routinely as they are submitted and collectively as part of a current application’s past grant history used to establish ability to accomplish the project.

A sample ACHF grant contract for organizations is provided as an attachment.
Public meeting

Each council must hold at least one public meeting to solicit reaction to its preliminary biennial plan before it is approved and submitted to the Arts Board.

Provide the date(s) and location(s) of the public meeting(s). How was the public informed? Who participated in the meeting (types and numbers of attendees)?

The East Central Regional Arts Council advertised their public meeting via both the Region 7E media and on the Arts Council website. Constituents were also notified of the opportunity to provide input through the newsletter and in the news section of the ECRAC website. ECRAC held the public hearing for the preliminary Biennial Plan on Tuesday, March 23, 2021, at 4 p.m. via Zoom. This public hearing was held in order to receive input from the general public as well as the established arts community. Information from the public hearing will be incorporated into the final plan with a special ECRAC Board Meeting was planned on March 26. This is in case any information was brought up in the Public Meeting that needs to be incorporated into the Preliminary Biennial Plan before submission to the Minnesota State Arts Board. There was none so the approval and Plan did not need to be revised. 9 people attended the public meeting and 3 were associated with ECRAC as staff or board member.

$10,000 in funding received from MSAB for reimbursing the travel of FRACM members (all 11 RAC Executive Directors) & recently (after no increase in 25 years) this amount increased to $20,000 per year.
Regional Arts Councils (RACs) are required in law to create and submit their biennial plan in the Spring of odd numbered years to the Minnesota State Arts Board since they serve as our fiscal sponsor. Components of the plan are clearly outlined in Rules. MSAB provides a checklist and the budget template.

The Arts Advisory Committee is an official standing committee of MSAB that includes two RAC directors and one RAC appointed member and two MSAB board members and one MSAB appointed member at-large. The main task is to review and approve biennial plans during Spring of odd years.

East Central Regional Arts Council's mission is to support the arts and bring the life enhancing values they afford to Region 7E residents.

ECRAC Grant Programs

Please note that in the Forum of Regional Arts Councils of Minnesota (FRACM) Policy Manual, as publicly funded programs, "RACs' regranting of state funds must maintain high standards of fiscal responsibility and be conducted in an open manner without discrimination on the basis of national origin, race, color, creed, religion, disability, gender, status with regard to public assistance, gender preference, marital status or political affiliation." ECRAC has always been committed to this responsibility and the values of inclusion, diversity, equity, and accessibility (IDEA). In the context of ECRAC programming and services underserved or underrepresented populations are those represented by people and groups defined based on age, gender, disability, sexual orientation, culture and race.

In addition, due to the impact of the COVID-19 pandemic constituents are requesting a different kind of technical assistance support from the past.

I am writing in regard to your grant application for funding through the East Central Regional Arts Council Arts & Cultural Heritage Fund Organization Grant Program. On behalf of ECRAC, I am pleased to inform you that funding was recently approved in the amount of $\text{AmountAwarded}$ for your project, $\text{ProjectName}$. Congratulations!

\textbf{Please read your NGA/Terms of Contract for any necessary stipulations/modifications to your project.}

This is the Notification of Grant Award (NGA) Contract and the Request for Payment (RFP) form. Please sign and return both to the ECRAC office within 45 days. Checks cannot be issued until both forms are signed by both the Project Director and the Authorized Signer for the Organization and returned to ECRAC. You should keep a copy for reference in your grant file. Within 45 days of receipt of the completed and returned NGA and RFP, ECRAC will schedule an appointment with you to complete grant management training. Once the training is complete the grant funds will be mailed, and the grant project final report forms will be assigned.

You must ensure that the ECRAC funding credit line found in the grant guidelines and NGA contract below is legibly included in all publicity for this grant project. You will also need to use the logos for both ECRAC and the ACHF Legacy Fund, and use \#ArtsLegacy and \#ecrac for any social media. Failure to do so may jeopardize future funding from ECRAC for your organization. The logos are available on the ECRAC website here: https://www.ecrac.org/manage-my-grant/press-kit.

Let ECRAC staff know in writing, for prior approval, if your organization anticipates any changes in the grant activities or with any budget changes 20% or greater (per line item) from what was in your approved application. If no changes are made, this grant funded project should be carried out as you proposed, and as the ECRAC Board Members approved.

The funding for this grant program comes directly from the Clean Water, Land and Legacy Amendment to the Minnesota Constitution. In order to ensure the continued availability of such funds, it is very important that Legislators know that state arts funds are being used in this region and to inform them of the types of activities that are being supported. We ask that you send a letter to your Legislators thanking them for their support of the arts, telling them about your ECRAC Arts & Cultural Heritage Fund project and, if applicable, inviting them to attend any project related activity. For your convenience, you will find their contact information and a sample letter included in your online grant dashboard under the documents tab. Once you have completed your letters, send a copy to ECRAC for our records. Please note that we have also included on your grant dashboard the sample curtain speech which should be used at your ACHF funded events.

Also included on your grant dashboard are the mailing addresses of the ECRAC Board Members. Please include them on your mailing distribution list. Finally, remember to email info@ecrac.org with your press release or public service announcements (text only) so that your event(s) can be added to the ECRAC online calendar. For your convenience, information on how to write a public service announcement can also be found on your grant dashboard.

Please contact Grant Program Officer Katina Eklund with any questions or grant project change requests at (320) 591-7034, or via email at grantinfo@ecrac.org.

Sincerely,

Mary Minnick-Daniels

TERMS OF CONTRACT

Agreement between East Central Regional Arts Council (ECRAC) and «Organization_Name».

In order to finalize the grant, you must, within 45 days, have the Grantee Project Director, and an authorized organization official, sign and return this contract; and also have the authorized organization official sign and return the Request for Payment (RFP).

In accepting and receiving these grant funds in the amount of $«Amount_Awarded», the Grantee agrees/certifies to the following terms and conditions:

1. That this funding will be used in implementation of East Central Regional Arts Council’s grant program as outlined in the current guidelines and as proposed in the ECRAC approved grant application submitted by the Grantee. The approved grant proposal is incorporated herein and the funding is contingent on funding availability.
2. That any ECRAC Arts and Cultural Heritage Funds are spent only on activities that are directly related to and necessary to accomplish the intended grant program or project. Arts and Cultural Heritage Funds may not be spent on administrative costs, indirect costs, or other institutional overhead charges that are not directly related to and necessary for a specific program or project.
3. That the grant funded project will be carried out in compliance with the grantee's submitted and approved project description, budget, dates, and outcome evaluation, as the grantee set forth in the approved application; and, as reflected in the information contained in the terms of this contract (NGA) and the current ECRAC grant guidelines.
4. To notify ECRAC staff in writing, for prior approval, of any proposed changes to the grant project or any revision of the approved budget of 20% or greater per line item. The Regional Arts Council must preapprove significant changes in the project such as changes in dates, project goals or outcomes, and/or budget changes of 20% or greater (per line item). No revisions are allowed to this agreement or to the grant project without ECRAC prior approval.
5. That accurate financial documentation and records will be tracked separately from other accounts regarding the project and all costs.
6. That all eligible costs must be incurred during the approved project period of the grant contract.
7. That a project final report shall be forwarded to ECRAC on the format provided within 60 days following the project end date and all grant project proofs of payment (including copies of all supporting paid receipts or canceled checks; sales slips; and any vouchers for contributions – including in-kind contributions, if applicable) will be available per ECRAC request for 3 years after project ends.
8. That all project accounts and records shall be made available to ECRAC upon request and such accounts and records shall be retained for at least three (3) years following grant project completion. These obligations survive beyond the expiration date of this grant contract.
9. That access to participation in the project will not be limited on the basis of national origin, race, religion, age, gender or disability, ECRAC has information available regarding ADA compliance, if needed.
10. That the Grantee agrees to indemnify, save and hold harmless the East Central Regional Arts Council, the Board, its agents, and the employees from any and all claims or causes of action arising from or relating in any way to this agreement. This clause must not be construed to bar any legal remedies Grantee may have for the ECRAC’s failure to fulfill its obligations pursuant to this agreement.
11. That the project will be publicized and advertised throughout the region (the 5 counties of Chisago, Isanti, Kanabec, Mille Lacs, and Pine, unless stated otherwise in the application). Any publicity (such as news releases, advertisements, posters and programs related to the project) is the sole responsibility of the Grantee.
12. That both the ECRAC and the ACHF logos will be used in all publicity. Also, that #ArtsLegacy and #ecrac will be used for social media, and that the following statement will be included legibly in all grant project publicity and programs:

“This activity is made possible by the voters of Minnesota through a grant from the East Central Regional Arts Council, thanks to a legislative appropriation from the arts and cultural heritage fund.”
13. That all grant project press releases, advertisements or public service announcements will be emailed to ECRAC (info@ecrac.org) at least one month prior to all scheduled events.
14. That any grant activities occurring outside of Region 7E (unless part of the ECRAC approved grant proposal) and ALL travel outside of Minnesota are prohibited under this grant contract.
15. That any grant funds not expended by the Grantee in carrying out the project, or expended in violation of this contract, shall be returned to ECRAC when the Final Report is submitted.
16. That the Grantee will return the entire grant award to ECRAC in the event the project cannot be completed as stated.
17. That failure of the Grantee to comply with any of these terms of the grant award shall result in the suspension of the award pending ECRAC action.
18. That the distribution of grant funds will be determined by the amount of approved budget, the scope and time frame of the project, and by completion of financial and project reports as indicated.
19. Other conditions as described herein, if any: «Stipulations»
20. AWARD/FINAL REPORT SCHEDULE: Within 45 days of receipt of the completed and returned NGA/RFP, ECRAC will schedule an appointment with the Grantee to receive the full grant amount (unless otherwise stipulated above), final report form information, and training at the ECRAC office. The completed final report form must be submitted within 60 days of the approved project end date. Failure to submit the final report will result in the Grantee becoming ineligible for future ECRAC grant funding.
21. That the Grantee is responsible for complying with all applicable federal, state and local laws, rules, regulations, and ordinances in relation to the use of these funds. Failure to comply may result in termination or forfeiture of the grant.
22. That future grants will be contingent upon complete compliance with the terms of this contract.
ECRAC reserves the right for three years from the project end date to audit all accounting policies, procedures, and financial and program records of projects receiving grant funds, and the right to publicize the award.

This agreement must not be considered accepted, approved, or effective until all required signatures are affixed. The grantee is responsible for the obligations contained herein. If the terms of the agreement are not clearly understood the grantee is advised to seek assistance before signing.

ARTICLE I

MISSION; WORK

Section 1.01. Mission. East Central Regional Arts Council (ECRAC) is a Minnesota nonprofit corporation. To support the arts and bring the life enhancing values they afford to Region 7E residents. The East Central Regional Arts Council accomplishes this mission through programs and special initiatives for artists and arts organizations. Region 7E is the East Central Minnesota Counties of Chisago, Isanti, Kanabec, Mille Lacs and Pine.

Section 1.02. Work of ECRAC. The organization may, among its other activities relating to its mission, make grants to artists and arts-related entities and provide grants and program support services.

Section 1.03. Annual Biennial Plan. Every other year ECRAC shall adopt a biennial plan summarizing its activities for the coming two years. The plan will be reviewed annually.

ARTICLE II

OFFICES; CORPORATE SEAL

Section 2.01. Registered Office. The registered office of this corporation shall be as set forth in the Articles of Incorporation, or in the most recent amendment of the Articles of Incorporation, or in the most recent statement filed with the secretary of State of Minnesota changing the registered office.

Section 2.02. Corporate Seal. This corporation shall have no corporate seal.

ARTICLE III

BOARD OF DIRECTORS

Section 3.01 General Powers. ECRAC is not a membership organization. The property, business, and affairs of ECRAC shall be managed by or under the direction of the Board of Directors of ECRAC.

Section 3.02. Number, Qualifications, Term of Office, and Election. The Board shall consist of between seven and fifteen members. Directors must be natural persons and must be at least 18 years of age. In selecting board members, the board shall strive to ensure that each county is represented by the same number of board members as every other county. The directors shall be elected by the members of
the Board of Directors at a meeting of the Board at the annual meeting. Any person who resides in the East Central Region and whose background includes involvement as an artist, an art consumer, an art advocate, a volunteer director, teacher, arts organizer, or who is with a library, historical society, arts guild, or an ethnic art organization is eligible to serve on the Board.

Section 3.03. Terms of Office. The term of office for directors shall be two years with approximately one-half of the directors elected at each annual meeting. For the first board of directors, the terms of office shall be one year for one-half of the members (selected by lot), and two years for the other half. Terms of office shall begin and end with an annual meeting. Directors shall not serve more than three consecutive two-year terms and are eligible for board service again after one year off of the board.

Section 3.04. Resignation. A director may resign at any time by giving notice to the board chair or the executive director. The resignation of a director is effective without acceptance when the notice is given, unless a later effective time is specified in the notice.

Section 3.05. Removal of Directors. A director may be removed at any time, with or without cause, by a vote of at least 60% of all the remaining members of the board.

Section 3.06. Vacancies. Any vacancy in the Board caused by death, resignation, or removal shall be filled by the affirmative vote of a majority of the other directors, and the term of the director filling the vacancy shall expire at the scheduled end of the term of the former director. The term limit for the newly elected director shall be the duration of the former director's term plus two consecutive additional terms.

Section 3.07. Attendance and Participation in Meetings by Means of Remote Communication. Board members may participate in Board meetings through one or more means of remote communication. Participation in a meeting through a form of remote communication authorized by the Board constitutes personal presence at the meeting if all attending directors are able to hear each other.

Section 3.08. Meetings. Regular meetings of the Board shall be held at such times and places and in such manner as the Board may determine. Special meetings of the Board shall be called by the chair or by five other directors representing three different counties and shall be held at such times and places and in such manner as the Board may determine. One meeting a year shall be designated as the
Annual Meeting.

Section 3.09. Notice. Notice of meetings will be given in the spirit of the Minnesota Open Meeting Law. Notice of a meeting shall be delivered by electronic communication, unless a director does not have that capability, in which case the notice shall be mailed to that director, addressed to his or her residence or usual place of business at least seven days before the day on which the meeting is to be held. However, notice need not be given if the date, time and place of the meeting were announced at a previous Board meeting. The notice shall state the time, place and manner of the meeting, but need not state the purposes thereof. To the extent practicable, notices of meetings shall be posted on the ECRAC website if such a website is maintained. Notice will be deemed waived by any director who attends the meeting in person or participates in the meeting via remote communication, unless the director objects at the beginning of the meeting that the meeting is not lawfully called or convened and does not participate in the meeting.

Section 3.10. Quorum. Except as otherwise provided by statute or by these bylaws, a majority of the directors currently holding office shall be required to constitute a quorum for the transaction of business at any meeting. The act of a majority of the directors present at any duly held meeting at which a quorum is present shall be the act of the Board. In the absence of a quorum, a majority of the directors present may adjourn a meeting from time to time until a quorum is present. Notice of any adjourned meeting need not be given, other than by announcement at the meeting at which adjournment is taken. If a quorum is present when a duly called or held meeting is convened, the directors present may continue to transact business until adjournment, even though the withdrawal of directors originally present leaves less than the number otherwise required for a quorum; provided, however, that the affirmative vote of a majority of the required quorum is required to take any action other than adjournment.

Section 3.11. Proxy Voting. Proxy voting shall not be permitted.

Section 3.12. Action without Meeting. Any action that may be taken at a meeting of the Board may be taken without a meeting, when authorized in a written action signed or consented to in an electronic communication by the number of directors that would be required to take the same action at a meeting of the Board at which all directors were present. If the Articles of Incorporation provide for a different requirement regarding the number of votes required for a written action, the Articles of Incorporation shall be followed.
Section 3.13. Conflicts of Interest. Except as permitted by law, with respect to any contract or other transaction between ECRAC and any director or member (or an organization in which a director or member is a director, member, officer or legal representative or has a material financial interest): (a) the material facts as to such contract or transaction and as to the person’s interest must be fully disclosed or known to the Board prior to approval of such contract or transaction; (b) such approval shall require the affirmative vote of a majority of the directors, not counting any vote that the interested director otherwise might have; and (c) an interested director shall not be counted in determining the presence of a quorum for that item of business. The Board shall develop a conflict of interest policy that further defines this issue, and each director shall each year execute, a conflict of interest statement.

ARTICLE IV
OFFICERS

Section 4.01. Number and Qualifications. The officers of ECRAC shall be the chair, vicechair, secretary, treasurer, and executive director. Except for the executive director, all officers shall be members of the Board.

Section 4.02. Election and Term of Office. Officers shall be elected by the Board at the first Board meeting following each annual meeting. The term of office shall be one year and until a successor is elected and qualified, or until the earlier death, resignation, or removal of the officer. One person may simultaneously hold the offices of vice-president and secretary.

Section 4.03. Resignations. An officer may resign by giving notice to the chair or secretary. The resignation is effective without acceptance when the notice is given unless a later effective date is named in the notice.

Section 4.04. Removal. An officer may be removed, with or without cause, by a resolution adopted by a majority of members of the Board.

Section 4.05. Vacancies. A vacancy in an office because of death, resignation, removal, or any other cause shall be filled for the unexpired part of the term in the manner prescribed in these bylaws for election to such office.

Section 4.06. Chair. The principal duties of the chair shall be to preside at all meetings of the board of the directors.
Section 4.07. Vice chair. The principal duties of the Vice-chair shall be to discharge the duties of the chair in the absence or disability, for any cause whatsoever, of the chair, and to generally assist the chair.

Section 4.08. Secretary. The principal duties of the secretary shall be to keep a record of the proceedings of the meetings of the Board of Directors and any board committees, and to safely and systematically keep all papers, records, and documents belonging to ECRAC, or in any way pertaining to ECRAC business, except the books and records incidental to the duties of the treasurer. With the approval of the Board, the secretary may delegate their duties relating to paper, record and document retention to the executive director.

Section 4.09. Treasurer. The principal duties of the treasurer shall be to keep an account of all monies, credits, and property of any and every nature of ECRAC, and to keep an accurate account of all monies received and disbursed.
