EAST CENTRAL REGIONAL ARTS COUNCIL (ECRAC) INTRODUCTION

The East Central Regional Arts Council (ECRAC) is a regional grant-making agency that supports the arts through funding from the Minnesota State Legislature, The McKnight Foundation and other funders. The Council distributes grant awards to artists, culture bearers, arts and other non-profit organizations, educational institutions, and local units of government and provides technical assistance for these grants.

Mission/Vision/Values:

ECRAC's mission is to support the arts and bring the life-enhancing values they afford to Region 7E residents. The vision is that all Region 7E residents can participate, appreciate, create, and invest in the arts. The values of ECRAC are arts in action; integrity; artistic merit; and legacy. ECRAC is committed to providing opportunities for all in the arts by fostering inclusion, diversity, equity, and accessibility in our organization and in the Region 7E arts community.

The East Central Regional Arts Council accomplishes this mission through programs and special initiatives for artists and arts organizations. The work program of the Arts Council includes the following: Grant programs for organizations (501(c)3 non-profits, units of government, schools, or other groups using a fiscal sponsor) are the Arts and Cultural Heritage Fund, Art in Our Schools, the Small/Art Project Assistance Grant, Resiliency Grant and the Essentials Support Grant (formerly General Operating); Grant Programs for individual artists such as the Arts and Cultural Heritage Fund, the Resiliency Grant, ECRAC Individual Artist Mid-Career and Essential Artist Award Programs, the Emergency Relief Fund and - IMAGE - the annual regional art show. Other resources include hosting various grant workshops, an arts library, art display equipment rental, an art gallery, and providing other arts related technical assistance and resource information.

ECRAC receives funding through appropriations of the Minnesota State Legislature, The McKnight Foundation and other funders. These funding sources enable ECRAC to provide grant funds for local or regional arts projects in these Region 7E counties of Minnesota: Chisago, Isanti, Kanabec, Pine, and Mille Lacs; including the sovereign Mille Lacs Band of Ojibwe lands. All grants are contingent upon the availability of funds. Funds are offered to organizations and individuals for a variety of arts projects that develop or enhance local arts, arts organizations, artists, or art audiences.

The East Central Regional Arts Council is an independent 501(c)3 non-profit. The address is 540 Weber Avenue South, Suite 109, Hinckley, Minnesota, 55037. You can reach ECRAC by telephone at 320-336-0200, and by email at grantinfo@ecrac.org. The agency website is: www.ecrac.org.

It is always best to contact staff of the ECRAC for assistance prior to submission of a grant application to determine current funding availability, and for information on the correct application form to use. This also allows applicants time to review the grant guidelines and to ask pertinent questions regarding your proposed grant project.

What is ECRAC's definition of art?

Art can describe several things: a study of a creative skill, a process of using the creative skill, a product of the creative skill, or the audience's experience with the creative skill. The Regional Arts Council defines "arts" as activities resulting in the artistic creation or artistic performance of works of the imagination. When we say arts, we are speaking very broadly of visual, performing, media, literary, and interdisciplinary art forms through which we learn about, explore, shape, and express the human experience. Every project funded by ECRAC must be an art project.

These activities include the disciplines listed in ECRAC's online application form. The list of disciplines is part of the National Standard for Arts Information Exchange which was developed by the National Endowment for the Arts and other state, regional, and national organizations. Arts agencies are required to report on their activities using this standard set of codes. The Regional Arts Council uses these disciplines to define and report on the art project activities supported.
