Judge - Julie Crabtree

Born in the UK Julie studied textiles, fine art embroidery, fashion and art in college graduating with credit ratings in City and Guilds of London degree courses and finally going on to teach for the college. Living in Canada, and now the US for many years, she has worked full time on her art, mixed media fiber and art exploring various experimental techniques .

She teaches workshops and attends juried art shows across the country where she has won numerous awards. She also recently completed a studio at home for teaching workshops.

More information is at: <http://www.juliecrabtreeart.com/>

Judge - Karen M. Marchese

Karen is an Artist / Photographer / Sculptor. "If I were to term the style of photography I shoot, I'd say semi-abstract. My work is primarily about form and mass, assimilation of two dimensional into three dimensional. Sculptural reference is what I gravitate toward in subject matter. I also appreciate happenstance and the non-staged subject.

My passion for three-D sculptural imagery stems from my child hood; watching my father sculpt late into the night, using metal and a welding torch.

Also being attracted to the tangibility of metal, I've salvaged baskets and boxes of interesting gems (too cool to let go of) for some 20 odd years. Shiny, dull, circular, square and irregular shapes of all sorts. As of 2013, I started utilizing these treasures, creating assemblage and collage mounted on block. In anything, contrast and detail are what attracts and draws the viewer near; light to dark and those interesting little details within."

IMAGE 2019 Awards

The IMAGE Art Show does not use set categories for entering artwork or for distributing awards. Instead, artists have described the artwork medium used in their own words.

The following will be awarded by the Judge at the Art Show Opening Celebration on Saturday, April 27, at 6 p.m.:

- 2 Judge's Choice Awards - \$500 each
- Up to 10 Excellence Awards - \$200 each
- Up to 10 Merit Awards - \$150 each
- Purchase Awards will also be made at this time. ECRAC will purchase 1 or more entered works of art which will become part of the Council's permanent collection.

In addition, the People's Choice Award in the amount of \$300 will be awarded after the show is over and attendees have voted. This will be after Saturday, May 4. Check East Central MN Regional Arts Council's Facebook page or the news section of www.ecrac.org for the details.

Special thanks to:

All the artists that make this show possible!

**“Thank you for sharing your work
with not only us but the world.**

Being an artist is often a vulnerable path. You make something so deeply personal and then present it to the world with an open heart.

Not everyone is so fearless.

Thank you for reminding us of what's possible.

It is invigorating to see you dedicating your life to what brings you joy. By pursuing these passions despite the risks and fears, you inspire us to do the same.

Thank you for what you create.

Art can speak things that can't always be said with words. Through your craft, you help others to evoke and validate their emotions, providing comfort that we are not the only ones feeling a certain way.”
