EAST CENTRAL REGIONAL ARTS COUNCIL (ECRAC) INTRODUCTION

The East Central Regional Arts Council (ECRAC) is a regional grant-making agency that supports the arts through funding from the Minnesota State Legislature and The McKnight Foundation. The Council distributes grant awards to artists and culture bearers, arts and other non-profit organizations, educational institutions, and local units of government and provides technical assistance for these grants.

Mission/Vision/Values:

ECRAC's mission is to support the arts and bring the life enhancing values they afford to Region 7E residents. The vision is that all Region 7E residents can participate, appreciate, create, and invest in the arts. The values of ECRAC are arts in action; integrity; artistic merit; and legacy.

The East Central Regional Arts Council accomplishes this mission through programs and special initiatives for artists and culture bearers and arts organizations. The work program of the Arts Council includes the following: Grant programs for organizations (501c3 non-profits, units of government, schools or other groups using a fiscal sponsor), are the Arts and Cultural Heritage Fund, Art in Our Schools, and the Small/Art Project Assistance Grant, and the Essentials Support Grant (formerly General Operating); Grant Programs for individual artists and culture bearers such as the Arts and Cultural Heritage Fund, ECRAC Individual Artist Mid-Career and Essential Artist Award Programs, and - IMAGE - the annual regional art show. Other resources include hosting various grant workshops, an arts library, art display equipment rental, an art gallery, and providing other arts related technical assistance and resource information.

ECRAC receives funding through appropriations of the Minnesota State Legislature and through The McKnight Foundation. These funding sources enable ECRAC to provide grant funds for local or regional arts projects in the following Region 7E counties of Minnesota: Chisago, Isanti, Kanabec, Pine, and Mille Lacs; including the sovereign Mille Lacs Band of Ojibwe lands. All grants are contingent upon the availability of funds. Funds are offered to organizations and individuals for a variety of arts projects that develop or enhance local arts organizations, artists and culture bearers, or art audiences.

The East Central Regional Arts Council is an independent 501(c)3 non-profit. The address is 540 Weber Avenue, Suite 109, Hinckley, Minnesota, 55037. You can reach ECRAC by telephone at 320-336-0200, and by email at grantinfo@ecrac.org. The agency website is: www.ecrac.org.

It is always best to contact staff of the ECRAC for assistance well in advance (see the grant deadline section) prior to submission of a grant application to determine current funding availability, and for information on the correct application form to use. This also allows applicants time to review the grant guidelines and to ask pertinent questions for you, or your organization, as an applicant and regarding your proposed grant project.

❖ What is ECRAC’s definition of art?

Art can describe several things: a study of a creative skill, a process of using the creative skill, a product of the creative skill, or the audience’s experience with the creative skill. The Regional Arts Council defines “arts” as activities resulting in the artistic creation or artistic performance of works of the imagination. When we say arts, we are speaking very broadly of visual, performing, media, literary, and interdisciplinary art forms through which we learn about, explore, shape, and express the human experience.

These activities include the disciplines listed in ECRAC’s online application form. The list of disciplines is part of the National Standard for Arts Information Exchange which was developed by the National Endowment for the Arts and other state, regional, and national organizations. Arts agencies are required to report on their activities using this standard set of codes. The Regional Arts Council uses these disciplines to define and report the art project activities supported.

GRANT PROGRAM DESCRIPTION-\$9,000

The East Central Regional Arts Council (ECRAC) Essential Artist Award program (formerly known as the ECRAC/McKnight Fellowship Grant) is designed to recognize, reward, and encourage outstanding professional artists and culture bearers and culture bearers. The Council will fund artists and culture bearers at various stages in their professional careers. These Essential Artist Awards will allow artists and culture bearers to set aside time to work, purchase supplies and materials, undertake advanced study (not related to a degree) or to pursue other artistic career goals.

ELIGIBILITY

The applicant may be any professional individual artist who is a permanent resident (for at least 6 months) in one of the five Region 7E Minnesota counties: Chisago, Isanti, Kanabec, Mille Lacs, or Pine. The applicant must be at least 18 years of age. The applicant must be either a U.S. citizen, or have attained permanent resident alien status. The applicant must not have any unacceptable or outstanding reports due to ECRAC. The applicant must not have any Misuse of Funds determination with the Minnesota State Arts Board or Regional Arts Councils. Applicants must use the ECRAC grant application form online. The applicant must not have received ECRAC's McKnight funding for two years (Example: FY 2022 ECRAC/McKnight grantees are not eligible again until FY 2024.) Individual artists and culture bearers may not have more than one active ECRAC grant at a time unless it is a resiliency grant.

The Essential Artist Award program is open to professional artists and culture bearers and culture bearers in all artistic mediums, see the definition of art on the previous page. This includes but is not limited to: visual (2 or 3 dimensional and photography), film/video screenwriting, dance/choreography, music, theater arts/playwriting, traditional art forms, prose and poetry. This is not a program for college credits.

The ECRAC definition of *professional artist* is someone who considers the creation of art to be a primary endeavor or career. Culture bearers are considered artists by ECRAC.

GRANT FUNDING LIMITS - NEW!

The grant request for the Essential Artist Award is \$9,000. The program provides at least one Essential Artist Award annually. The award is based on a complete review of the application by the East Central Regional Arts Council.

An artist is limited to one ECRAC artist award (Essential Artist Award or Mid-Career Artist Grant) every two years. Artists and culture bearers are limited to one active ECRAC grant at a time.

Other grant requests may be made through ECRAC ACHF Individual Artist Grant Program (\$2,000) or the Mid-Career Artist Grant (\$3,600). Younger artists and can be funded through the K-12 Scholarship Program (\$599). Please contact ECRAC staff if you have questions regarding which program is most appropriate for you.

Individual applicants are not required to provide a match for this program, but matching funds are encouraged and are evidence of an artist's need and support for the grant proposal. Matching funds may consist of cash, in kind contributions, earned income, or other grants. In kind are donated items such as materials, labor, and space that can be given a dollar value and are a significant part of the project. Applicants must be able to prove that in kind is committed (i.e., letter from donor indicating commitment and value).

Applicants are required in the grant application budget form to identify where all grant project funds will be expended. All matching funds included in the budget should be committed to the grant project.

No part of the grant may be used to cover expenses incurred before the approved start date or after the end of the project. The entire project must be completed within the approved grant start and end dates.

At the grant review ECRAC will use a ranking system to determine funding allocations. A lower ranking means no grant award.

You will be invited (but are not required) to attend the grant review meeting. Applicants are strongly encouraged to attend the grant review but are not allowed to provide additional information or presentations.

Special Requirements for Art Project Equipment Purchases

The act of only purchasing equipment does not constitute a fundable grant project. Grant requests from individuals for a grant project equipment purchase must include: a detailed plan for the use of the equipment; and a statement certifying the artists will not sell the equipment without prior ECRAC approval. In addition, ECRAC may get a UCC filing on the equipment.

Funding Restrictions

The Essential Artist Award program will not fund: artists and culture bearers that are not permanent residents of Region 7E; in school work by any level of students; projects which have or will receive funding from the Minnesota State Arts Board; applicants who intend to use the funding to move from Region 7E.

An applicant must also be a creator in the visual, literary, or performing arts (including painters; print makers; sculptors; design, craft, film/video, interdisciplinary, and performance artists; playwrights, actors, directors, composers, musicians, singers, poets, fiction and creative nonfiction writers); applying in a single discipline; and applying as an individual.

WHERE AND HOW TO APPLY ONLINE

ECRAC has competitive grant programs. Because of that a reasonable amount of planning time should be allowed to develop a grant proposal application. Grant writing technical assistance is provided by ECRAC staff upon request by the grantee. The staff person can best be of help to you if you contact them in advance of the application technical assistance deadline. However, if time is available, they will still answer questions after the assistance deadline. Keep in mind that assistance from an ECRAC staff person does not imply that grant funding will be received.

There are different application forms for organizations and for individual artists and culture bearers. Schools, and units of government, use the organization form and guidelines. If in doubt about which application to use, contact ECRAC staff.

Upon request the application and grant guidelines can be made available in alternative formats. To accommodate your request for an alternative format, ECRAC will need at least 10 working days' notice.

You may access the ECRAC website for the online application forms at www.ecrac.org/grants. You will find information on past funded grant projects at the bottom of the webpage.

For the online grant portal, used to access the upcoming grant applications and your previous grant proposals, go to <https://www.ecrac.org/manage-my-grant>

Do not apply for more than one grant per grant program deadline. Individual artists and culture bearers can't have more than one active ECRAC grant project at a time. Be sure to include all attachments with your application, or your application will be considered incomplete and thus ineligible.

Individual artist required attachments include artist résumé, mentor résumé, workshop details and instructor résumé and/or other project expense details such as an equipment use plan. Applications will be completed and submitted via online application, and you will need to provide a project budget and detailed budget explanation, and work samples.

Applicants cannot submit any grant application proposal materials by mail, in person, or by email. The online application materials are at: www.ecrac.org/grants. The ECRAC grant portal is available at: <https://www.ecrac.org/manage-my-grant> Completed applications must be submitted online before 11:59 p.m. on the deadline date.

Grant questions? You can reach ECRAC by telephone at 320-336-0200 and by email at: grantinfo@ecrac.org.

DEADLINES

When you submit a grant application proposal, please be aware that it will take about 2-3 months before a final decision is reached by ECRAC. Another consideration is that grantees are required to complete the grant project before the end of ECRAC's next fiscal year. The earliest allowable starting dates and the corresponding end dates are listed next.

GRANT DEADLINE	FINAL APPROVAL BY	EARLIEST START DATE	LATEST END DATE
March 1, 2024 & 2025	June 30, 2024 & 2025	July 1, 2024 & 2025	June 30, 2025 & 2026

If a deadline date falls on a weekend or holiday, the deadline will be 11:59 p.m. on the next working day. Grant technical assistance is available if you contact ECRAC staff.

❖ **What determines a project’s start date?**

The start date for an ECRAC grant is defined as “the point at which the project is set in motion (e.g. rehearsals, advertising and public notification, payment of fees, ordering and/or paying for supplies or printed material, etc.)” ECRAC does not fund projects that are already underway. Grantees must wait until their notification of grant award before printing and/or disseminating publicity materials. No funds can be expended prior to the project start date. Funds incurred before the project start date (such as entering into a contract with a mentor, or paying for workshop fees or purchases of equipment) cannot be included in the grant project and may make your project ineligible. Please contact ECRAC staff if you are unclear about whether ECRAC would consider your project as already started.

GRANT REVIEW PROCEDURE & CRITERIA

The accuracy, content, completeness, and merits of the application are solely the responsibility of the applicant. ECRAC staff will review all applications submitted for completeness and eligibility and will report this during the grant review. The ECRAC Board of Directors will have the final determination regarding application completeness and eligibility. Applicants will be notified of the receipt of their application and when the grant application review will take place by email. Applicants are strongly encouraged to attend the grant review meeting but will not be permitted to provide any additional information at that time.

The ECRAC Board of Directors, by majority vote, makes all final funding decisions. ECRAC staff do not participate in this grant review and funding process other than to introduce applications, to describe the status of the grant application completeness and eligibility review, and to take minutes.

Grant applicants may not discuss their application with ECRAC grant review panelists or ECRAC board members following the grant deadline until the ECRAC board has acted on the application. Communications regarding an application with ECRAC board members or panelists during this time will result in the application being deemed ineligible for funding.

❖ **OPEN MEETING POLICY:** All grant review meetings are open to the public.

- ECRAC is covered by the spirit of the Minnesota Open Meeting Policy.
- Rules of conduct are in effect from the meeting start to adjournment.
- Members of the public audit the meeting only. Disruptive persons will be asked to leave.
- Grant reviews – applicants may attend and are not allowed to provide additional information.
- All discussion of grant applications is public record.
- Persons wishing to address the Council (not a grant applicant) must notify ECRAC at least 24 hours in advance.
- An agenda is available at the meeting or on the ECRAC website.

❖ REVIEW CRITERIA

The East Central Regional Arts Council makes every effort to distribute available funds fairly and equitably among the various art forms and across all geographic and cultural areas of the region. Projects supported by ECRAC are expected to encourage and reflect the high standards of artistic excellence. The Regional Arts Council will consider each application on its own merits. Applications are reviewed in the order received. In reviewing the applications, a grant review panel and/or the ECRAC Board of Directors will use the following criteria.

The review criteria include the artistic quality of the work samples submitted, and the merit and feasibility of the Essential Artist Award plan. The artistic quality of the work is demonstrated by your work samples. If the artistic activity meets high standards of excellence, the Arts Council will then review your Essential Artist Award plan. Merit and feasibility of the proposed Essential Artist Award plan is as measured by its anticipated impact on your career, and by its relevance to your work. The plan should include information about what you will do with the time and money afforded by an ECRAC Essential Artist Award and a description of the artistic direction of your work. Finally, the Council will assess your ability to accomplish the proposed Essential Artist Award activity. Artistic quality is the primary criteria; merit and feasibility of the proposed Essential Artist Award plan are secondary.

Applicants are encouraged to contact the ECRAC office early in the grant application process for individual assistance, or to attend a grant workshop. The granting of such assistance in no way implies that funding will be approved. (More applications are not funded for being incomplete or poorly prepared than for any other reason). Keep in mind that working with ECRAC staff does not guarantee grant funding.

All grant applicants will receive a grant allocation notification within 30 days after the final funding decision is made by ECRAC.

ECRAC'S CONFLICT OF INTEREST POLICY

ECRAC observes strict procedures to prevent any conflict of interest. Any board or staff member of the Regional Arts Council with a direct financial or employment interest relating to any grant application to be reviewed will inform the Council of such affiliation prior to review of any grant application. The member will leave the room and not vote, rank, or participate in the grant review discussion. The Council reports annually on those members with affiliations who declared conflicts of interest. The ECRAC board chair and executive director have the authority to determine the existence and effect of a conflict of interest.

A conflict of interest exists if a Regional Arts Council board or staff member, or grant reviewer: receives direct financial benefit from the organization or project being reviewed.

- serves as an employee or governing board member of an applicant organization.
- serves with or without pay as a consultant for the applicant being reviewed.
- has familial (or adversarial) relationship with an applicant or a staff or board member of an applicant organization.
- receives free tickets or other benefits from the grant applicant being reviewed.
- has a particular sensitivity for, or against, either the art form or subject matter.

GRANT PAYMENTS

Grantees will receive notification regarding the ECRAC grant funding decision. If funded, a contract called the Notification of Grant Award (NGA) contract and a Request for Payment (RFP) form will be included with the notification. If the grantee agrees with the approved budget and other terms of the contract the artist applicant must sign and submit both the NGA and RFP forms to ECRAC along with any stipulations, within 45 days.

No funds will be authorized until the NGA contract and RFP have been executed. Funds will then be approved and forwarded to the grantee within 45 days of receipt of the NGA and RFP. If stipulated by the ECRAC Board of Directors they may split grant payments by providing initial grant funds after the receipt of the NGA and RFP, and the final payment after receipt of a successful interim progress review. If so, details will be included in the NGA and RFP notification.

Additionally, before the first grant payment of a fiscal year is made to a grantee ECRAC requires grantees to complete Grant Management Training. If requested, travel expenses incurred related to this training can be reimbursed by ECRAC. However, most sessions are now held online.

Grants to individuals are subject to state and federal income tax. Please contact your tax preparer for further information.

ESSENTIAL ARTIST AWARD GRANTEE RESPONSIBILITIES

If a grant is received, the grantee must:

- ❖ Grantees agree that the project will be completed within the approved start and end dates and as described in the grant application and budget. **Per the contract, any changes in the project from what was approved by ECRAC must be requested in writing and approved by ECRAC *in advance*.**
- ❖ In the event the project cannot be completed as stated, you will return the entire grant award to ECRAC.
- ❖ Include the ECRAC logo and the following credit line in all publicity, advertising, and promotional materials: **“This activity is made possible by a grant from the East Central Regional Arts Council with funds generously provided by the McKnight Foundation.”** In addition, you should use the hashtag #ecrac when talking about your grant on social media.
- ❖ Ensure that access to participation in the project, if any, will not be limited on the basis of national origin, race, religion, age, or gender, and will be ADA accessible, if applicable.
- ❖ Be legally responsible for the completion of the project and for the proper management of the grant funds. This includes keeping copies of project related receipts for inclusion with the final report. All grant records must be kept for 3 years.

GRANT REVISION REQUESTS

Grantees agree to notify ECRAC staff in writing, for prior approval, of any proposed changes to the grant project or any revision of the approved budget in the NGA. The Regional Arts Council must preapprove significant changes in the project such as changes in dates, project goals or outcomes, and/or budget changes of 20% or greater (per line item), if the amount is over \$600. No revisions are allowed to the NGA contract or to the grant project without ECRAC prior approval. There are instructions for this, if needed.

FINAL GRANT REPORT & EVALUATION

Grant recipients must submit a final report to ECRAC. Individuals have 30 days, from of the end of the grant project date as proposed in the approved application and as stated on the NGA and RFP to submit it. ECRAC may also require an interim report or may conduct a mid-point grant progress review. The final report must be the ECRAC online format provided in the grant portal and will include: project narrative; documentation of press releases, project publicity, website pages, any news articles, plus examples of the artwork produced during the project. The final report will show how grant funds were used and will provide documentation of income and expenses pertaining to the project, including copies of proofs of payment. The final/financial report form will also include all documentation on the outcome evaluation of the grant project. The Regional Arts Council cannot provide any grant funds to applicants who have outstanding or unaccepted grant final reports or unsatisfactory interim progress reviews.

❖ Misuse of Funds Policy

The East Central Regional Arts Council has a Misuse of Funds Policy. ECRAC staff document their questions and conclusions about possible misuse of state grant funds. Staff then consult with the grantee regarding misuse concerns. Any determination of Misuse of Funds is made by the East Central Regional Arts Council Board of Directors. A misuse determination will impact the grant in question and future funding. Any Misuse of Funds determination is reported to the Minnesota State Arts Board and the Forum of Regional Arts Councils of Minnesota.

GRANT TERMINATION OR REVOCATION

The NGA contract may be terminated at any time upon written request of the grantee. Such termination does not necessarily relieve the grantee of their responsibilities as set forth in the grant contract. ECRAC may terminate a grant contract at any time upon failure of the grantee to comply with one or more of the conditions of the grant contract. A contract may be terminated by mutual written consent of ECRAC and recipient. Occasionally, additional stipulations or conditions will be placed on the use of the grant funds. These conditions, or in some cases recommendations, from the Regional Arts Council will be clearly outlined in the NGA contract.

ECRAC will rescind its grant commitment if:

- a grantee does not submit their signed NGA and RFP within 45 days, or
- upon request, the recipient does not agree to, or return any required grant stipulations at the time the NGA and RFP are due.

APPEALS POLICY & PROCEDURE

If an applicant can show cause that the established grant review procedures have not been followed, the applicant may file an appeal. There is no right of appeal for disputes of decisions of the East Central Regional Arts Council with respect to artistic merit.

To file an appeal, the applicant must notify the Regional Arts Council Executive Director in writing within 10 days of the notification of ECRAC's action and describe the point or points of issue with the grant review procedure. ECRAC will approve, disapprove, or table the appeal based on adherence to its grant review procedures within 45 days.

BEFORE YOU BEGIN THE ONLINE APPLICATION

You will first need to familiarize yourself with the basic information about grant funding through the East Central Regional Arts Council. Please read through this entire document before beginning the application form. The application form includes specific questions which will assist the Regional Arts Council review team in determining artistic quality and merit, ability, and artistic need for the project.

Technical assistance is available for applicants who need advice in developing a grant proposal. The Arts Council also conducts grant workshops that help applicants understand the philosophy of the Council as well as the process for submitting successful grant applications. Assistance from the staff does not imply funding for an application. The content, accuracy, completeness, and merits of the grant proposal are solely the responsibility of the applicant.

- TIPS ON COMPLETING THE APPLICATION

The grant portal opens 4-6 weeks before the deadline. A reasonable amount of planning time should be allowed to develop an application. Grant writing technical assistance is provided by ECRAC staff as requested. The staff person can help you best if you contact them well in advance of the application technical assistance deadline. Assistance from the staff person does not, however, imply that grant funding will be received.

Contact the ECRAC office to determine the availability of funding and which of the grant areas your proposal fits into. The ECRAC Grant Program Officer phone number is: 320-336-0200. The email address is grantinfo@ecrac.org.

Attend a ECRAC Grant Information Session. This is not currently a grant requirement, but it is strongly recommended by the ECRAC Board of Directors. They are online as YouTube video tutorials, available by zoom, and in-person.

Read over the application questions, and contact ECRAC if you are unclear about them, these guidelines, or the grant review criteria.

Use the online forms provided by ECRAC. The application materials are on the ECRAC website: <https://www.ecrac.org/grants-available> in the Individual Artist section. For examples of past funded grant projects scroll down on this page for them. The grant tutorials are also available here.

You will have to remain within the specified amount of space for answers. Do not submit additional materials. Additional pages and materials not requested won't be reviewed by the Council or by a grant review panel. Do not mail or email any application-related materials to ECRAC.

Complete and submit your online application before 11:59 p.m. of the deadline date. Applications submitted after this are ineligible.

To be eligible, your application must include all required materials. If not, the application can be found ineligible.
