Artistic Work Samples - ECRAC requires applicants to upload artistic work samples. As you select a work sample(s) for submission, remember that artistic excellence is the primary criteria. It is important that the samples you submit represent your work to its best advantage. In general, the grant reviewers are not looking for a range in abilities. Rather, they look for a cohesive vision for grant recipients. In addition, the ECRAC board requests that your uploaded work samples are 4 years old, or less. If they are not, include an explanation of why in the application. The grant guidelines has a detailed list of acceptable work samples.

Combine samples as needed into documents/files in order to upload. You may also link to a YouTube video in the space provided.
