

ECRAC Final Report Certification

No adjustments are allowed in the wording of the certification.

We, the undersigned, certify that our board of directors supported the project as described in this final report and that all information in the attached final report is true and correct to the best of our knowledge. Further, we acknowledge the project was carried out as it was described in the grant proposal and that we abided by the ECRAC program guidelines and that we have reviewed and submitted all copies of proofs of grant project payments, as required.
