Judge - Mary Bruno

Mary grew up in a small town in Central Minnesota, she is a printer and learned her love of printing from her Design professor father Don Bruno. Since his passing in 2003 she has taken over his small letterpress print shop in St. Joseph, Minnesota and expanded, both physically and figuratively. Mary has an irreverent line of greeting cards and more that is sold nationwide and she teaches the old school tradition of letterpress printing the way her father taught her. She organizes international travelling art exhibitions with printers all over the world. She carves linoleum and hand sets wood and lead type to make posters, broadsides, and anything that she comes up with. Mary is a community go-getter and loves to collaborate with other printers, poets, musicians, kids, other designers, you name it. Printing her designs is what feeds her soul along with travel and meeting new people.

More information is at: <http://www.mcbrunopress.com/>

Judge - Ginger Shulick Porcella

Ginger Shulick Porcella currently serves as the Executive Director and Chief Curator of Franconia Sculpture Park. She holds an M.A. in Socio-Cultural Anthropology from Columbia University and a B.A. in Art History from DePaul University. She was previously the Executive Director and Chief Curator of MOCA Tucson, Executive Director and Chief Curator of the San Diego Art Institute, and the Executive Director of Art Connects New York. She has curated critically acclaimed exhibitions such as: *Cyclic* with Cassils and Ron Athey; *Blessed Be: Mysticism, Spirituality and the Occult in Contemporary Art*; and *Dazzled: OMD, Memphis Design and Beyond*. She is currently developing Kenny Scharf's first touring retrospective and catalogue raisonné. Her exhibitions have been positively reviewed in *Frieze*, *The New York Times*, and *Hyperallergic* and in 2015 she was named the "Voice of the Year" by *The Voice of San Diego*. She enjoys atonal music, horror films, and spending time with her dogs Maya Papaya and Radio McGriddles.

Special thanks to:

All the artists that make this show possible!

“Thank you for sharing your work
with not only us but the world.

Being an artist is often a vulnerable path. You make something so deeply
personal and then present it to the world with an open heart.

Not everyone is so fearless.

Thank you for reminding us of what's possible.

It is invigorating to see you dedicating your life to what brings you joy. By
pursuing these passions despite the risks and fears,
you inspire us to do the same.

Thank you for what you create.

Art can speak things that can't always be said with words. Through your craft,
you help others to evoke and validate their emotions,
providing comfort that we are not the only ones feeling a certain way.”
